Declaration of Conflicts of Interest:

City Attorney Jake Sweeten instructed the Council concerning decisions on Action Items listed on the Agenda. He explained that if any Councilmember has discussed any Action Item presented in tonight's meeting with another Councilmember outside of this public meeting it is required per the Open Meeting Law that the Councilmember declare what the conversation was, with whom, and if there was any decision made prior to this meeting. Following this procedure would cure any potential Open Meeting Law violations.

PUBLIC HEARING:

At 7:09 p.m. Mayor Petrie declared the Public Meeting Open. Brian Sullivan presented that this meeting is in regard to the sale of the City owned property located on the Northwest corner at the intersection of First Street and South Hayes Avenue constituting a parking lot, minimum selling price \$20,000.00. Abra Dodson of 210 S. Johns Avenue spoke on behalf of the Gem Recreation District and stated that the current parking downtown is limited and how she would like to see the parking lot remain with the City of public use for those businesses in the area. Kirk Wille of 101 E. Main Street owner of the Cowboy Chophouse stated also that the parking in this downtown area is very limited and by selling this parking lot to a private individual or company it would be detrimental to his business and his customers. Mr. Wille declared that he is not in favor of the sale of the parking lot and he would like it to remain a public parking lot. Clint Seamons, Public Works presented to the Council that the hard cost to maintain the parking lot at this time with the needed repairs would be approximately \$35,000 and if the Council decides to keep the parking lot, it will require some budget adjustments in order to have funds for the necessary improvements and maintenance costs. Mayor Petrie asked if there were any other citizens that would like to speak, no response.

Mayor Gordon Petrie

Lyleen Jerome, City Clerk

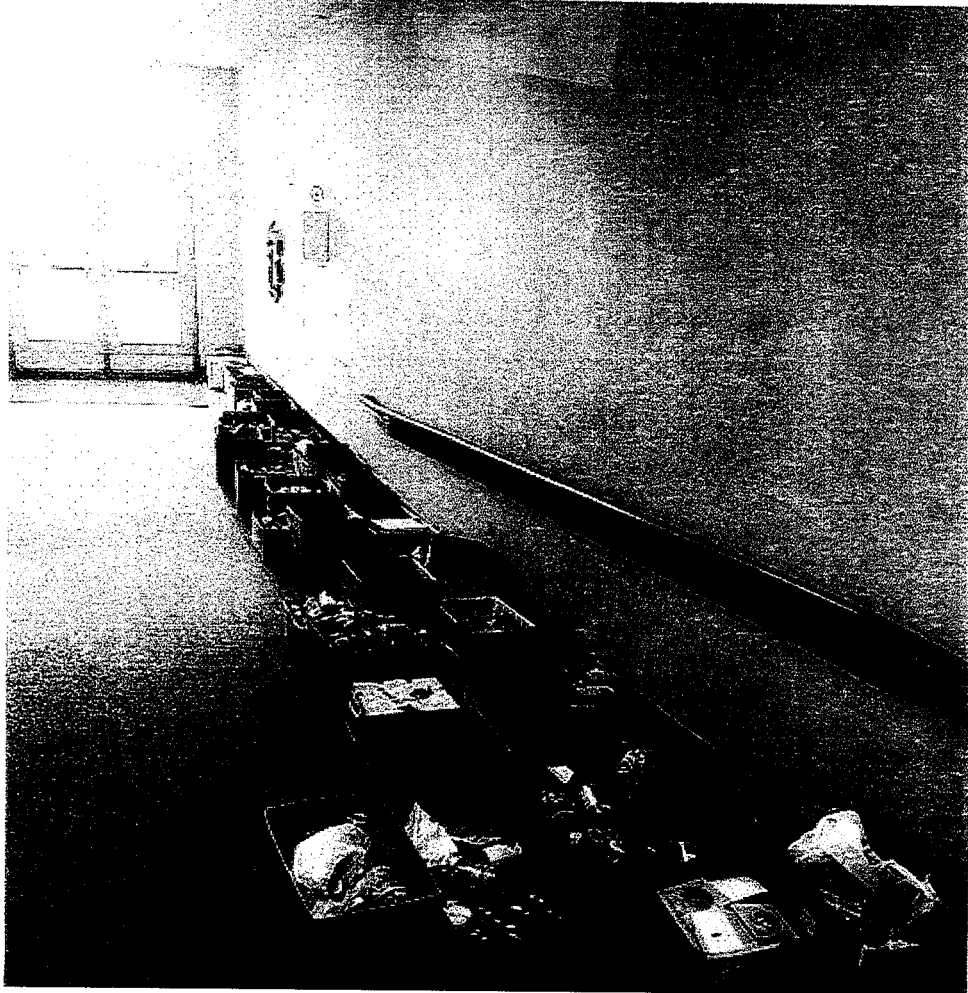

Dear City Council,

I am proud to have grown-up in Emmett and want the best for Emmett. I see good each and every day in our town. I try and reinforce helping others in my classroom so it makes me extra proud to have my kids, all of Carberry, and our town see how others in our community help. Recently, a committee that I am on, we were organizing food, gifts, and money for families in our schools for Christmas. We needed help transporting the food from Carberry to the high school. Chief Kunka heard our needs in pasts years and once again this year, reached out to the fire department, the police department, and the IT department. Two different days, our kids saw helping hands load, deliver, and unload the food. I cannot begin to properly express my feelings of gratitude. Thank you all for what you do each and every day!

Thank you,

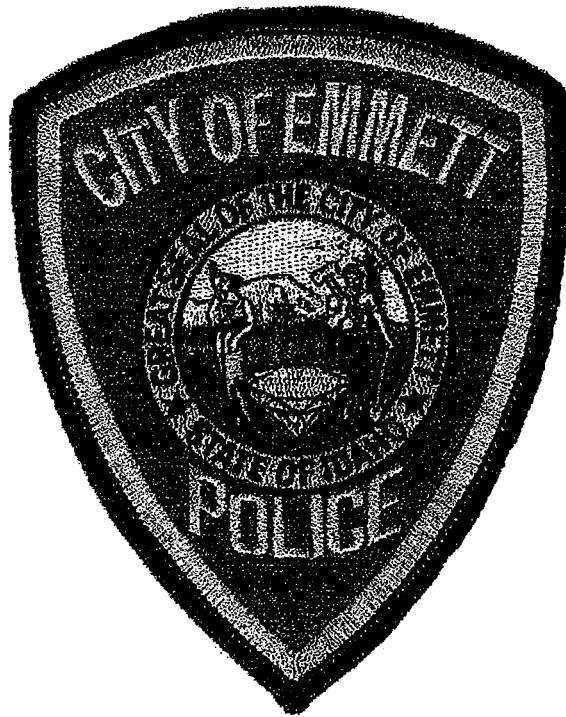

Heidee Browne

Some people may ask why the police officers are paid more than other city employees. I do not claim to know the right answer but hopefully the following information could shed some light on this question.

The following is the Idaho POST memorial statement on Officer Wade Feldner. As I had mentioned before, on the night of January 20th, 1994 James Moore and his friends drove through Emmett on their way to New Plymouth. We also had officers working that night. It is always said this type of crime could never happen in a small town like ours.

RONALD WADE FELDNER - Killed January 20, 1994

Age: 29
Marital Status: Married
Dependants: 4 Children
Years of Service: 3 years

Officer Feldner stopped to check a suspicious car parked at the local High School and was shot in the face and chest by James Robert Lee Moore, 14 years of age, who had stolen the car earlier in the evening. Two other juveniles, 14 and 15 years of age were also in the vehicle, which was apprehended a short time later in Ontario, Oregon.

Poem from unknown author

Somebody killed a police officer today,
And a part of America died.
The piece of our country they swore to protect
will be buried along with our pride.

The criminal that shot them will stand up in court
With counsel-demanding his rights,
while a young widow must work for there kids
And grieve many long, dark, empty nights.

The beat that they worked was a battlefield too,
just as they'd gone off to war.
Though the flag of our nation wont fly at half-mast,
there sacrifice we'll never ignore.

Yes, Somebody killed a police officer today,
these cop's put there life on the line.
While we slept in comfort behind our locked doors,
A felon they sought to confine.

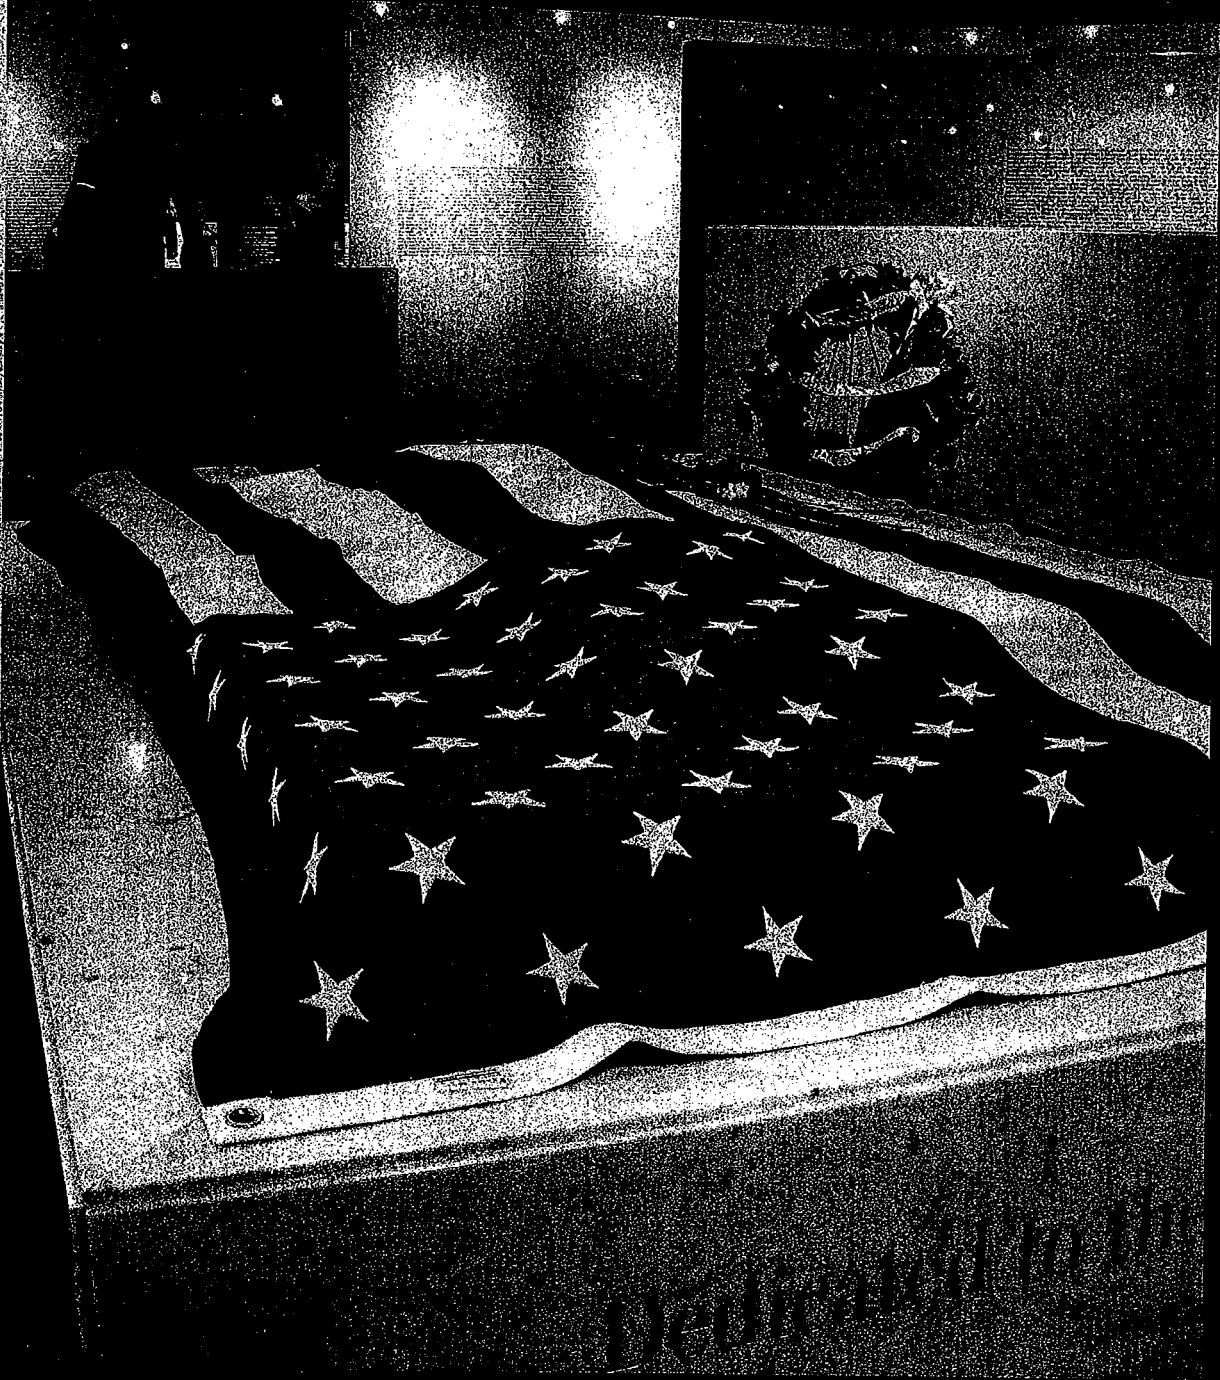

Now there ghost walks a beat on a dark city street,
And they stand at a new rookies' side.
They answered the call, of themselves they gave all....
And part of America died.

Every effort is made throughout the year to obtain photos of our brave Heroes in Blue to publish in this publication. This includes several written and telephone requests to each department. In all cases we encourage the families and fellow officers to provide photos. Please write: Archival Records Coordinator, American Police Hall of Fame, 6350 Horizon Dr., Titusville, FL 32780. Thank you for your cooperation.

Police Officers Prayer

Oh Almighty God, whose great power and eternal wisdom embraces the universe.

Watch over all policemen and law enforcement officers.

Father in Heaven please give them the strength, courage and perseverance to endure

The unjust condemnation, danger, and physical abuse to which they are at times subjected.

We recommend them to your loving care because their duty is dangerous.

Dear God, grant these brave men your almighty protection,

Unite them safely with their families after duty has ended.

Amen

Property Schedule to Tax-Exempt Lease/Purchase Agreement

This Property Schedule is entered into pursuant to Tax-Exempt Lease/Purchase Agreement dated as of 7/19/2006 between Lessor and Lessee.

1. Interpretation. The terms and conditions of the Tax-Exempt Lease/Purchase Agreement (the "Agreement") are incorporated herein.
2. Property Description. The Property subject to this Property Schedule is described in Exhibit A, attached hereto.
3. Term and Payments. Lease Term and Lease Payments are per the table below. If the Payment Due Dates are not defined, they shall be defined as the first day of each annual period in the table below commencing with the Acceptance Date as stated in the Certificate of Acceptance, attached as Exhibit B, hereto. If the parties enter into an escrow agreement for the acquisition of the Property, then the escrow agreement shall be attached hereto as Exhibit D. In lieu of the Acceptance Date for commencement of Lease Payments, the date of deposit of the Property Cost into the escrow by Lessor shall be used. Lessee shall have the option to prepay the Lease Payments due under this Property Schedule by paying the Concluding Balance shown in the table below, plus any other amounts due and owing at the time of prepayment, subject to per diem adjustment.
4. Expiration. Lessor, at its sole determination, may choose not to accept this Property Schedule if the fully executed, original Agreement (including this Property Schedule and all ancillary documents) are not received by Lessor at its place of business by 07/27/2006.
5. Property Cost. The total acquisition cost of the Property is \$41,000.00.
6. Opinion of Counsel. Lessee has provided the opinion of its legal counsel substantially in the form as attached as Exhibit C, hereto.

Pay #	Date	Payment	Principal	Interest	Balance
1	30-Sep-2006	11,087.27	11,087.27	0.00	30,810.11

Dear Mike

Please find attached an updated server quote as well as a sheet detailing the specs.

Another cost you need to consider in budgeting is the networking time it will take with changing hardware and possibly connection into ARTS. I'll provide estimates so your budget is covered. Bear in mind we charge actual time so there may be savings.

Regarding licensing of ARTS, here is what we can do – the license on Bobbi's machine will remain exactly as is. The other two can be made "floating" where we will change the logins to a terminal services log on and officers will be able to access ARTS from any machine they want, but there will only be two licenses that can access ARTS at a time.

Networking Expenses

16 hours networking time to setup the new server @ \$86.00 per hour	\$1,376.00
4 hours to switch logons to Terminal Services @ \$86.00 per hour	\$ 344.00
Two techs expenses (mileage, travel time, meal) from Meridian	<u>\$ 85.00</u>
	\$1,805.00

*Cleanup of old server is Not quoted, if you want this, please let me know.

We do sincerely appreciate your business and look forward to exciting new developments in ARTS in the upcoming year! I'll include a communication on Imaging that was sent to Bobbi back in March so you have all information. In addition, do call me when you have some time and we can do a Webinar of what the ARTS software is capable of. I will schedule in the near future to personally come meet the chief and we can discuss ARTS as a whole.

If you have any question or comment, please don't hesitate to contact me via email avanvliet@gocai.com or at the office at 208-233-5111.

Dear Chief Hyde,

Please find enclosed 2009 budget information regarding the law enforcement software (ARTS). **For Fiscal 2009, maintenance fees for ARTS are \$1,887.00** billable on February 1st, the 24 hour telephone support remains at **\$600.00**. Please note we are including a 2% increase to the law enforcement maintenance contracts from 18% to 20%. The last increase was in 2005.

Please note we do offer modules in **Imaging and Case Management**. We are also working with a company called FATPOT Technologies out of Utah (www.fatpot.com) for Data Sharing and Electronic Citation Process from mobile computers directly into RMS as well as direct input to the court system.

We do sincerely appreciate your business and look forward to exciting new developments in ARTS in the upcoming year. If you have any question or comment, please don't hesitate to contact me via email avanvliet@gocai.com or at the office at 208-233-5111.

Bobbi Pacific
Emmett Police Department
501 E. Main
Emmett ID 83617

Dear Bobbi,

The workstation cost for **ARTS Imaging** is a one time fee of **\$2,299.00**, maintenance would increase annually by **\$460.00**. The Imaging cost includes access for three stations and one scanning station. We do convert any digital incident photos in ARTS and allows electronic capture and storage of most any support documentation. In addition, there is an Export capability built in to a CD or email. Additional licenses of Imaging would then be available at \$633.00; additional scanning stations \$400.00 with increased maintenance applicably.

Please note that any ISIS compatible scanner should work for the scanning position, just check your scanner on line for the model you use.

In addition on the 13th, I sent Mike pricing for additional ARTS licenses. The original 2002 contract pricing was \$3,145.00 per workstation plus \$629.00 maintenance per year. Originally, three have been purchased.

Today's per workstation pricing is \$4,029.00 plus \$808.00 maintenance. This is the most cost effective method for the police department.

Please do let me know which ever way you decided on the additional workstation....

We do sincerely appreciate your business and look forward to exciting new developments in ARTS in the upcoming year! If you have any question or comment, please don't hesitate to contact me via email avanvliet@gocai.com or at the office at 208-233-5111.

All department heads to provide updates at each meeting on:

- New qualifications, certifications, awards and achievements for anyone within their department
- Any training attended, and possible future training for yourself or staff. Brief explanation of benefits for yourself and staff.
- Employees who have left the city employment or new hires to the city.
- Any event, program, notice, purchase, activity or circumstance that could be identified by the community as a concern or that would likely be brought to the council members attention.
- Inform the Council of any major purchase's even if they do not exceed purchase threshold.
(would like just an FYI.)
- Any action taken by a city employee that is likely to bring community praise or negative attention.
- Inform council of any letter or survey to be sent out to all city citizens/ residences.
- Current projects and status, some details concerning project process, and how it may effect or help other departments.
- Update on any future projects.
- Any interdepartmental projects, training, or other activities, (i.e. emergency response, school security.)
- Would like to hear any suggestions or concerns from department heads, relating to city improvements.
(actual projects or process improvements.)
- Would also like to see other committee meeting notes or minutes.
- When asked a question from a council member, that department head responds, not the mayor. We entrust the department heads to run their department and have extensive knowledge on their responsibilities, it would be great to hear that knowledge. If they need assistance, they could ask the mayor to help them with details.
- We all function best when we have open lines of communication, and no fear of repercussion from any individual, (Mayor, or Council member) you should feel free to speak your mind.
- NONE OF US FUNCTION WELL IN AN INFORMATION VACUUM.

What Staff Needs to Know about Elected Officials

Policy development processes are most effective and productive when key players work well together. Each party has a role to play, along with clearly defined responsibilities. Conflicts often develop when the legitimate needs and roles of one party are not understood by another. Here are some suggestions that might make the policy development process more effective.

- **Elected officials have different needs than staff.** To be effective, elected officials must be responsive to the needs of their constituents. Concerns for "fairness" and "minority views" may outweigh issues of effectiveness or efficiency.
- **Elected officials want to know where various groups stand on an issue.** This information is important in attempting to balance the conflicting values that often come into play during the policymaking process.
- **Elected officials do not like surprises.** This is particularly true at the end of a long and arduous process. A staff member's credibility can be seriously undermined if key interests introduce relevant, new information at a final public hearing before action is to be taken. Council members depend on staff to provide pertinent, timely, and complete information on issues the council must take under consideration.
- **Elected officials like to have choices.** No one likes to feel backed into a corner with only one solution. Even a brilliant staff proposal may not carry the day if other choices were not seriously considered.
- **Staff can be an enormous help.** Staff can set an example by showing how compromise can be reached on thorny issues. They can also make everyone on the policy/ administrative team look good by sharing credit.

Mr. Mayor and Esteemed Council,

January 15, 2019

I am writing this in hopes my husband, Thomas Driscoll and myself, Jennifer Driscoll may be placed on the agenda for the City Council meeting of January 22, 2019. We are organizing the 2019 Emmett Cruise Night and would like to request the needed road closures. Harry Granger, also of the Lion's Club may be present and speaking as well though that is not certain.

I thank you for your time and consideration in this matter.

My best regards,

JL Driscoll

Emmett City Council

This is my approval to the request from the Cruise Night Volunteers for a controlled cruise on July 20, 2019. The controlled cruise that has been developed has helped eliminate some of the congestion seen in the prior years. For law enforcement, this has helped us as it has limited the amount of vehicles on the roadway during the dedicated cruise time and we were able to concentrate on other areas of need. In the past years South Washington Avenue was opened back up at 9:00 PM to all traffic and this was when the police officers started receiving more calls for service. On December 6, 2018 I was contacted by Harry Granger who advised the Lions Club would be assisting the Cruise Night Volunteers by providing the insurance for the controlled cruise. Harry also gave me a traffic control plan that was provided to him by Idaho Traffic Control. Harry stated the Cruise Night Volunteers were planning on also having a flagger at each intersection along with the traffic control signs like they did the year before.

If approved by City Council please consider the following.

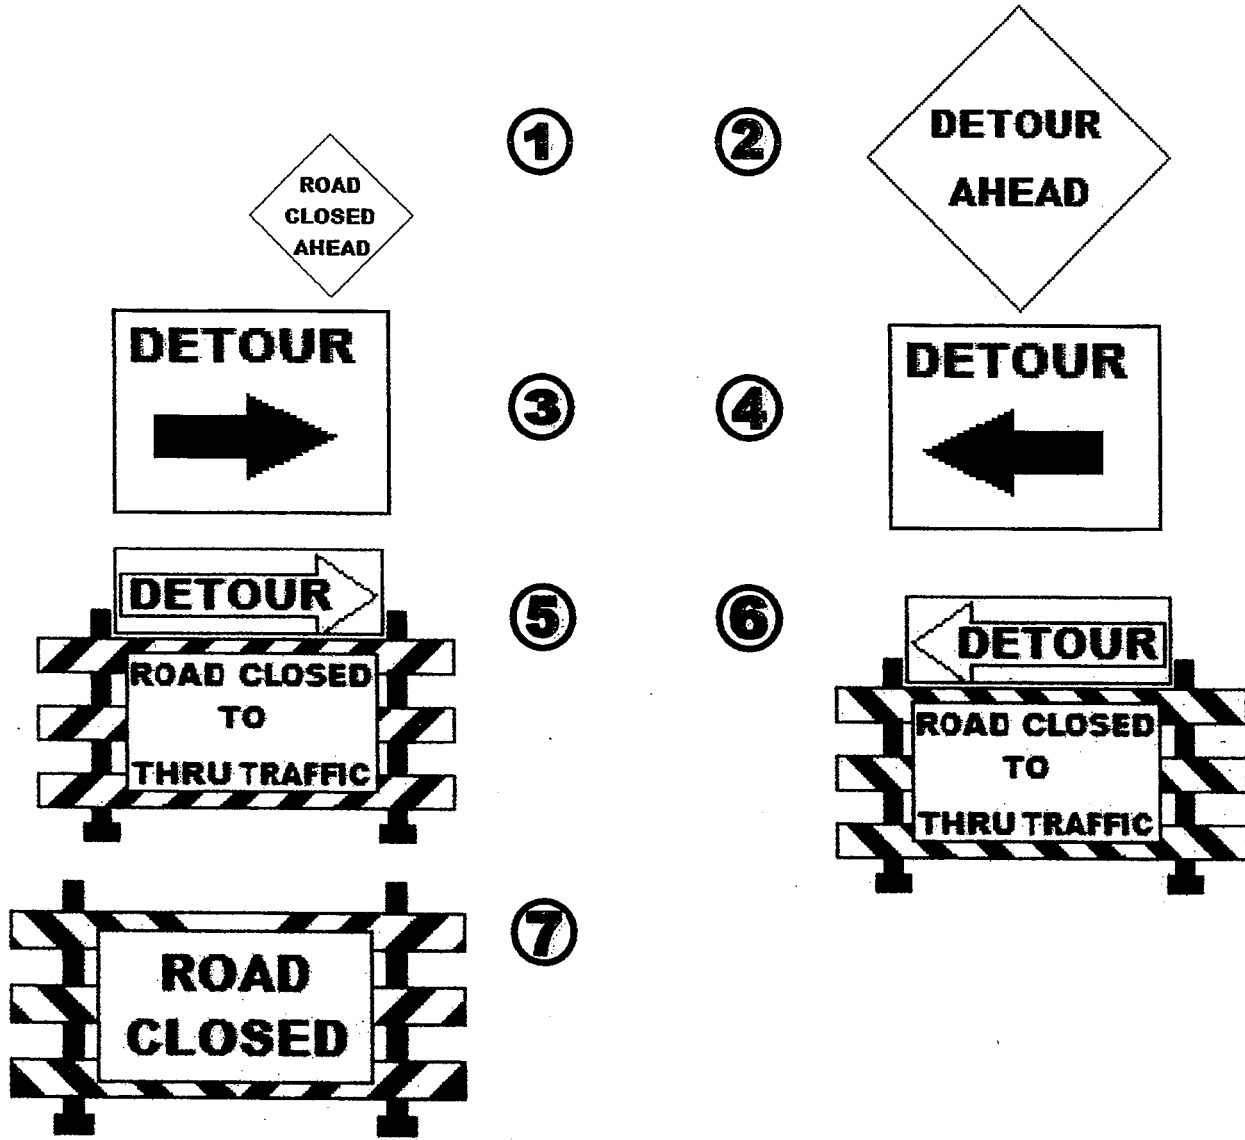

- Providing traffic Vests for Volunteers at intersections
- Written document of what is expected from Volunteers at intersections.
- Include responsible person's names and phone numbers with written document to Police.
- The police department will not have officers available for traffic control

During the 2018 cruise the Emmett Police Department was very pleased with the way this event was conducted. We expect the same in 2019.

LEASE AGREEMENT

Lease agreement dated _____, 2019 ("Lease"), between the City of Emmett, Idaho ("Landlord") and Greg and Chris Barreto whose address is 62819 Lower Cove Road, Cove, Oregon 97824 ("Tenant").

WITNESSETH

Landlord leases and rents to Tenant, and Tenant leases and rents from Landlord, the real property described in Exhibit A which is attached hereto and incorporated herein by reference as if set out in full ("Premises"). The Premises that Landlord is leasing to Tenant is bare ground.

The term of this Lease is for a period commencing on _____, 2019 and terminating on _____, 2039 under the following terms and conditions:

1. **RENT**: Tenant shall pay Landlord rent in advance annually. The rent will be **\$50.00** more per year than the rent for two (2) tie-down spaces at the Emmett Airport. Rent will be **\$350.00**. Rent is due on or before January 1 of each year. The method of calculating rent may be changed and the rent increased by Landlord on the third anniversary of the date of this agreement, and every three years thereafter during the term of this lease and any renewals of this lease, by giving notice sixty (60) or more days before the rent is due.
2. **PROPERTY OF TENANT**: Tenant shall obtain property insurance on all Property of Tenant located on the Premises and hereby releases and discharges Landlord of and from any liability for damage to the Property of Tenant. "Property of Tenant" shall mean and include all personal property of Tenant including structures, equipment, furniture, and personal belongings kept or used on or installed in the Premises that are owned by and separately assessed to Tenant.
3. **WARRANTIES**: There are no warranties by Landlord. Tenant, in executing this Lease, is relying upon its own judgment, information and inspection of the Premises.
4. **ENTRY BY LANDLORD**: Landlord shall have the right to enter the Premises at any reasonable time to examine the same and determine that Tenant is complying with the terms of this Lease.
5. **INDEMNIFICATION**: Tenant agrees to indemnify, defend and hold harmless Landlord and its officers, agents and employees, from and against any and all claims, losses, actions or judgments for damages or injury to persons or property arising out of or in connection with the acts and/or any performances or activities of Tenant, Tenant's agents, Tenant's employees, Tenant's representatives, Tenant's invitees, or any other person allowed on the Premises by Tenant.
6. **HAZARDOUS WASTE AND HAZARDOUS MATERIALS**: Tenant agrees not to store, generate, or otherwise use or bring upon the Premises, any hazardous waste as defined by Federal, State or local laws and regulations. All hazardous materials shall be stored and disposed of strictly in accordance with any State or Federal regulations. Tenant shall hold Landlord harmless from any liability associated with Tenant's use or possession of hazardous materials.

7. **USE OF PREMISES:** Tenant will construct a hangar on the Premises for aeronautical purposes, primarily to store, maintain and construct aircraft. Except for hazardous materials, non-aeronautical items may be stored in the hangar provided the items do not interfere with the aeronautical use of the hangar. Items are generally considered to interfere with the aeronautical use of the hangar when they impede the movement of aircraft in and out of the hangar, or displace the aeronautical contents of the hangar. Tenant shall, at all times, comply with all laws, regulations and ordinances associated with the use of the Premises. Tenant shall not construct any additional buildings on the Premises without first obtaining Landlord's written permission. Tenant's use of the Premises shall not be changed without the written consent of Landlord. All use and operation on the Premises shall be in strict accordance to all applicable Local, State and Federal (FAA) rules and regulations.
8. **USES NOT PERMITTED:** Tenant shall not use and Tenant shall not permit anyone else to use the Premises for any of the following purposes:
- (a) The operation of any business without written permission from the Landlord;
 - (b) Construction of any additional buildings without Landlord's written permission;
 - (c) Aircraft construction and maintenance not in accordance with Federal Aviation Regulations;
 - (d) Any residential use;
 - (e) The storage of any refuse or trash;
 - (f) Smoking by anyone in the hangar;
 - (g) Running the aircraft engine in the hangar;
 - (h) Fueling or de-fueling the aircraft in the hangar;
9. **OPTION TO RENEW:** Tenant shall have the right to renew the Lease for a period of twenty (20) years. If Tenant desires to renew the Lease, then written notice of such renewal shall be given not sooner than one (1) year and not less than one hundred twenty (120) days prior to the termination date of this Lease.
10. **TERMINATION OF LEASE:** In the event that Landlord ceases to own or operate the airport or finds that because of Federal, State or other restrictions, it is impractical to continue the Lease, or in the event that Landlord determines in its sole discretion that it is not in Landlord's best interest to continue with the Lease, this Lease shall terminate. Landlord shall give Tenant notice of such termination 90 or more days in advance of the termination date.
11. **REPAIRS:** Tenant shall repair damages, except those caused by normal use, to the airport and Premises which are the result of Tenant's action or of any invitee of Tenant while making use of the airport or Premises. Repairs shall be completed within ninety (90) days of the date of any such damage. If Tenant cannot reasonable

repair such damage within ninety (90) days, Tenant shall give notice to Landlord of that fact and request an extension of 90 days. Such an extension shall not be unreasonably withheld.

12. **RELOCATION**: In the event that Landlord undertakes airport renovation and/or expansion or any other project which requires the use of the Premises, Tenant shall relocate its hangar to another location. Landlord shall attempt to provide a comparable location for the substituted Premises. Landlord shall give Tenant written notice one (1) year in advance of when such relocation is required. Relocation shall be at Tenant's expense.
13. **UTILITIES**: Tenant shall pay before the same are delinquent all sewer, water, gas, electricity, power and other utilities used by Tenant. Tenant shall pay all connection costs, meter installation costs and any other costs associated with utilities used by Tenant. All installations must be approved by and comply with any municipal, state or federal laws and regulations.
14. **TAXES AND ASSESSMENTS**: Tenant shall pay all personal property taxes and assessment levied against Tenant's personal property, including the hangar and any other taxes associated with the Premises, promptly before the same become delinquent.
15. **ACCESS**: Tenant shall have access to the Premises by aircraft and by automobile. Automobiles may be parked inside the hangar while Tenant's aircraft is being operated, or at a parking area off of the aircraft ramps that is so designated.
16. **LIENS**: Tenant shall not suffer or permit any liens to be filed against the Premises or any part of the Premises. If a lien is filed against the Premises, Tenant shall cause the same to be removed of record within sixty (60) days after the date of the filing of the lien. Failure to remove the lien shall be a default under this Lease, or any renewal thereof.
17. **FIRE HAZARDS**: Tenant shall comply with all applicable fire codes.
18. **WASTE PROHIBITED**: Tenant shall not commit any waste or damage to the Premises and shall not permit any waste or damage to the Premises.
19. **MAINTENANCE**: Tenant shall keep and maintain the Premises in a neat and orderly manner and shall keep the Premises free from debris, garbage, and other unsightly material. Tenant shall maintain all leased surfaces not covered by asphalt or concrete in a weed-free condition.
20. **LIABILITY INSURANCE**: Tenant shall maintain a comprehensive liability insurance policy in an amount of not less than five hundred thousand dollars (\$500,000.00) covering the Premises during the terms of this lease. The policy shall provide coverage for all acts for which Tenant is required to indemnify Landlord under Paragraph 5 of this agreement. Tenant shall have Landlord named as an additional insured and shall provide Landlord with proof of current insurance during the term of this Lease, or any renewal thereof. The policy shall provide that the insurance company shall give Landlord written notice of any proposed cancellation of the insurance 30 or more days in advance of such cancellation.

21. **ASSIGNMENT AND SUBLETTING**: Tenant shall not assign this Lease without the written consent of Landlord. Tenant may sublet the whole or any part of the Premises. Tenant shall promptly provide Landlord with the names and contact information of any sub-Tenants. If Tenant sublets, then Tenant shall remain liable to Landlord for full performance of Tenant's obligations.
22. **ATTORNEY'S FEES**: In the event an action is brought to enforce any of the terms or provisions of this Lease, or to enforce forfeiture thereof for default by either of the parties, the successful party in such action shall be entitled to recover from the losing party reasonable attorney's fees, together with such other costs as may be authorized by the court. Landlord shall be entitled to attorney's fees.
23. **SERVICE OF NOTICES**: Any notice may be served upon Landlord by certified mail, return receipt requested, to Landlord at 501 East Main Street, Emmett, ID 83617, and any notice may be served upon Tenant by certified mail, return receipt requested, to Tenant at the above address. Service of notice by certified mail shall be deemed complete upon the date of the post mark by certified mail. Either party may change the address for service of notice by written notice to the other party.
24. **CONSTRUCTION OF STRUCTURE**: Any construction approved by Landlord shall be in accordance with plans approved by Landlord. All plans and specifications shall be subject to the approval of the Landlord, the City of Emmett and the Gem County Building Inspector, the State of Idaho, and the FAA. All construction shall be at Tenant's own expense and must be according to the drawings and specifications submitted to and approved by Landlord prior to commencement of construction. Any changes must have the approval of all required approving agencies. Aesthetic design standards shall be determined by Landlord. Tenant shall comply with FAR Part 77 which requires that all such construction on an airport be coordinated with FAA using FAA Form 7460-1, "Notice of Proposed Construction or Alteration." Such forms shall be completed by the Tenant and approved by the Landlord before being submitted to the FAA. Tenant shall submit the form to the FAA unless otherwise directed by Landlord. Tenant shall provide a copy of all such forms to Landlord. The City Airport Advisory Committee with input from the Airport Manager shall approve the plans before construction is commenced. Structures shall be completed within one (1) year after construction has started.
25. **NOTICE TO AIRMEN**: Tenant shall notify the airport manager in writing when construction begins and when it ceases. The airport manager will request and cancel a NOTAM with the FAA in Boise, Idaho, for the appropriate time of construction.
26. **SALE OF HANGAR**: Tenant shall not sell the hangar without first obtaining written permission from Landlord. Landlord shall not unreasonably withhold its consent. Any sale shall be subject to the terms of this Lease.
27. **REMOVAL OF STRUCTURE**: At the termination of this Lease, Tenant shall be entitled to remove the hangar provided that the Tenant returns the Premises to the same or better condition as it existed immediately before Tenant commenced construction of the hangar. If the hangar has not been removed within 120 days after the lease expires, it shall be considered the property of Landlord and Tenant shall have no further right or interest in the hangar.

28. **DEFAULT:** In the event Tenant fails to comply with any of the terms of this Lease, Landlord shall be entitled to give Tenant written notice of such default. If Tenant has not corrected such default within ninety (90) days after the date such notice was sent, Landlord may terminate this Lease at Landlord's option.

29. **ENTIRE AGREEMENT:** This is the entire agreement of the parties and can only be modified or amended in writing by the parties.

LEASE AGREEMENT

Lease agreement dated _____, 2019 ("Lease"), between the City of Emmett, Idaho ("Landlord") and Ray Bolinger whose address is 13129 South Tampico Place, Idaho 83634 ("Tenant").

WITNESSETH

Landlord leases and rents to Tenant, and Tenant leases and rents from Landlord, the real property described in Exhibit A which is attached hereto and incorporated herein by reference as if set out in full ("Premises"). The Premises that Landlord is leasing to Tenant is bare ground.

The term of this Lease is for a period commencing on _____, 2019 and terminating on _____, 2039 under the following terms and conditions:

1. **RENT:** Tenant shall pay Landlord rent in advance annually. The rent will be **\$50.00** more per year than the rent for two (2) tie-down spaces at the Emmett Airport. Rent will be **\$350.00**. Rent is due on or before January 1 of each year. The method of calculating rent may be changed and the rent increased by Landlord on the third anniversary of the date of this agreement, and every three years thereafter during the term of this lease and any renewals of this lease, by giving notice sixty (60) or more days before the rent is due.
2. **PROPERTY OF TENANT:** Tenant shall obtain property insurance on all Property of Tenant located on the Premises and hereby releases and discharges Landlord of and from any liability for damage to the Property of Tenant. "Property of Tenant" shall mean and include all personal property of Tenant including structures, equipment, furniture, and personal belongings kept or used on or installed in the Premises that are owned by and separately assessed to Tenant.
3. **WARRANTIES:** There are no warranties by Landlord. Tenant, in executing this Lease, is relying upon its own judgment, information and inspection of the Premises.
4. **ENTRY BY LANDLORD:** Landlord shall have the right to enter the Premises at any reasonable time to examine the same and determine that Tenant is complying with the terms of this Lease.
5. **INDEMNIFICATION:** Tenant agrees to indemnify, defend and hold harmless Landlord and its officers, agents and employees, from and against any and all claims, losses, actions or judgments for damages or injury to persons or property arising out of or in connection with the acts and/or any performances or activities of Tenant, Tenant's agents, Tenant's employees, Tenant's representatives, Tenant's invitees, or any other person allowed on the Premises by Tenant.
6. **HAZARDOUS WASTE AND HAZARDOUS MATERIALS:** Tenant agrees not to store, generate, or otherwise use or bring upon the Premises, any hazardous waste as defined by Federal, State or local laws and regulations. All hazardous materials shall be stored and disposed of strictly in accordance with any State or Federal regulations. Tenant shall hold Landlord harmless from any liability associated with Tenant's use or possession of hazardous materials.

7. **USE OF PREMISES:** Tenant will construct a hangar on the Premises for aeronautical purposes, primarily to store, maintain and construct aircraft. Except for hazardous materials, non-aeronautical items may be stored in the hangar provided the items do not interfere with the aeronautical use of the hangar. Items are generally considered to interfere with the aeronautical use of the hangar when they impede the movement of aircraft in and out of the hangar, or displace the aeronautical contents of the hangar. Tenant shall, at all times, comply with all laws, regulations and ordinances associated with the use of the Premises. Tenant shall not construct any additional buildings on the Premises without first obtaining Landlord's written permission. Tenant's use of the Premises shall not be changed without the written consent of Landlord. All use and operation on the Premises shall be in strict accordance to all applicable Local, State and Federal (FAA) rules and regulations.
8. **USES NOT PERMITTED:** Tenant shall not use and Tenant shall not permit anyone else to use the Premises for any of the following purposes:
- (a) The operation of any business without written permission from the Landlord;
 - (b) Construction of any additional buildings without Landlord's written permission;
 - (c) Aircraft construction and maintenance not in accordance with Federal Aviation Regulations;
 - (d) Any residential use;
 - (e) The storage of any refuse or trash;
 - (f) Smoking by anyone in the hangar;
 - (g) Running the aircraft engine in the hangar;
 - (h) Fueling or de-fueling the aircraft in the hangar;
9. **OPTION TO RENEW:** Tenant shall have the right to renew the Lease for a period of twenty (20) years. If Tenant desires to renew the Lease, then written notice of such renewal shall be given not sooner than one (1) year and not less than one hundred twenty (120) days prior to the termination date of this Lease.
10. **TERMINATION OF LEASE:** In the event that Landlord ceases to own or operate the airport or finds that because of Federal, State or other restrictions, it is impractical to continue the Lease, or in the event that Landlord determines in its sole discretion that it is not in Landlord's best interest to continue with the Lease, this Lease shall terminate. Landlord shall give Tenant notice of such termination 90 or more days in advance of the termination date.
11. **REPAIRS:** Tenant shall repair damages, except those caused by normal use, to the airport and Premises which are the result of Tenant's action or of any invitee of Tenant while making use of the airport or Premises. Repairs shall be completed within ninety (90) days of the date of any such damage. If Tenant cannot reasonable

repair such damage within ninety (90) days, Tenant shall give notice to Landlord of that fact and request an extension of 90 days. Such an extension shall not be unreasonably withheld.

12. **RELOCATION**: In the event that Landlord undertakes airport renovation and/or expansion or any other project which requires the use of the Premises, Tenant shall relocate its hangar to another location. Landlord shall attempt to provide a comparable location for the substituted Premises. Landlord shall give Tenant written notice one (1) year in advance of when such relocation is required. Relocation shall be at Tenant's expense.
13. **UTILITIES**: Tenant shall pay before the same are delinquent all sewer, water, gas, electricity, power and other utilities used by Tenant. Tenant shall pay all connection costs, meter installation costs and any other costs associated with utilities used by Tenant. All installations must be approved by and comply with any municipal, state or federal laws and regulations.
14. **TAXES AND ASSESSMENTS**: Tenant shall pay all personal property taxes and assessment levied against Tenant's personal property, including the hangar and any other taxes associated with the Premises, promptly before the same become delinquent.
15. **ACCESS**: Tenant shall have access to the Premises by aircraft and by automobile. Automobiles may be parked inside the hangar while Tenant's aircraft is being operated, or at a parking area off of the aircraft ramps that is so designated.
16. **LIENS**: Tenant shall not suffer or permit any liens to be filed against the Premises or any part of the Premises. If a lien is filed against the Premises, Tenant shall cause the same to be removed of record within sixty (60) days after the date of the filing of the lien. Failure to remove the lien shall be a default under this Lease, or any renewal thereof.
17. **FIRE HAZARDS**: Tenant shall comply with all applicable fire codes.
18. **WASTE PROHIBITED**: Tenant shall not commit any waste or damage to the Premises and shall not permit any waste or damage to the Premises.
19. **MAINTENANCE**: Tenant shall keep and maintain the Premises in a neat and orderly manner and shall keep the Premises free from debris, garbage, and other unsightly material. Tenant shall maintain all leased surfaces not covered by asphalt or concrete in a weed-free condition.
20. **LIABILITY INSURANCE**: Tenant shall maintain a comprehensive liability insurance policy in an amount of not less than five hundred thousand dollars (\$500,000.00) covering the Premises during the terms of this lease. The policy shall provide coverage for all acts for which Tenant is required to indemnify Landlord under Paragraph 5 of this agreement. Tenant shall have Landlord named as an additional insured and shall provide Landlord with proof of current insurance during the term of this Lease, or any renewal thereof. The policy shall provide that the insurance company shall give Landlord written notice of any proposed cancellation of the insurance 30 or more days in advance of such cancellation.

21. **ASSIGNMENT AND SUBLETTING:** Tenant shall not assign this Lease without the written consent of Landlord. Tenant may sublet the whole or any part of the Premises. Tenant shall promptly provide Landlord with the names and contact information of any sub-Tenants. If Tenant sublets, then Tenant shall remain liable to Landlord for full performance of Tenant's obligations.
22. **ATTORNEY'S FEES:** In the event an action is brought to enforce any of the terms or provisions of this Lease, or to enforce forfeiture thereof for default by either of the parties, the successful party in such action shall be entitled to recover from the losing party reasonable attorney's fees, together with such other costs as may be authorized by the court. Landlord shall be entitled to attorney's fees.
23. **SERVICE OF NOTICES:** Any notice may be served upon Landlord by certified mail, return receipt requested, to Landlord at 501 East Main Street, Emmett, ID 83617, and any notice may be served upon Tenant by certified mail, return receipt requested, to Tenant at the above address. Service of notice by certified mail shall be deemed complete upon the date of the post mark by certified mail. Either party may change the address for service of notice by written notice to the other party.
24. **CONSTRUCTION OF STRUCTURE:** Any construction approved by Landlord shall be in accordance with plans approved by Landlord. All plans and specifications shall be subject to the approval of the Landlord, the City of Emmett and the Gem County Building Inspector, the State of Idaho, and the FAA. All construction shall be at Tenant's own expense and must be according to the drawings and specifications submitted to and approved by Landlord prior to commencement of construction. Any changes must have the approval of all required approving agencies. Aesthetic design standards shall be determined by Landlord. Such forms shall be completed by the Tenant and approved by the Landlord before being submitted to the FAA. Tenant shall submit the form to the FAA unless otherwise directed by Landlord. Tenant shall provide a copy of all such forms to Landlord. The City Airport Advisory Committee with input from the Airport Manager shall approve the plans before construction is commenced. Structures shall be completed within one (1) year after construction has started.
25. **NOTICE TO AIRMEN:** Tenant shall notify the airport manager in writing when construction begins and when it ceases. The airport manager will request and cancel a NOTAM with the FAA in Boise, Idaho, for the appropriate time of construction.
26. **SALE OF HANGAR:** Tenant shall not sell the hangar without first obtaining written permission from Landlord. Landlord shall not unreasonably withhold its consent. Any sale shall be subject to the terms of this Lease.
27. **REMOVAL OF STRUCTURE:** At the termination of this Lease, Tenant shall be entitled to remove the hangar provided that the Tenant returns the Premises to the same or better condition as it existed immediately before Tenant commenced construction of the hangar. If the hangar has not been removed within 120 days after the lease expires, it shall be considered the property of Landlord and Tenant shall have no further right or interest in the hangar.

28. **DEFAULT:** In the event Tenant fails to comply with any of the terms of this Lease, Landlord shall be entitled to give Tenant written notice of such default. If Tenant has not corrected such default within ninety (90) days after the date such notice was sent, Landlord may terminate this Lease at Landlord's option.
29. **ENTIRE AGREEMENT:** This is the entire agreement of the parties and can only be modified or amended in writing by the parties.

The Emmett Police Department, Gem County Sherriff's Office, Patriot Center, Emmett School District and Tom's Cabin worked together to provide a special night for a number of children in our community. This event is the annual Kids Christmas Party that is held at the Butte View Complex every year

Emmett Police Department, Public works and systems administrator assisted with the food drive at Carberry Elementary. We assisted by moving the donated canned goods from Carberry to the High School.

Officers participated in an ITD Impaired Mobilization
