I hereby certify that I have read and examined this document and know the same to be true and correct. **I have included two sets of construction drawings with this application.**

I understand that this permit will become null and void if not picked up within 180 days of approval, or if construction is not started within 180 days of issuance, or 180 days following the last inspection date. All digging in the city right-of-way will require a separate Right-of Way application and permit from Public Works department. All current City Service Charges must be paid before the City will issue the Certificate of Occupancy.
